

FOUNDER VIDEO AD SCRIPTS

Part 1: Video Ad Scripts 1 to 4 | Video Production & Editing Brief

VIDEO EDITOR SPECIFICATIONS & PACING RULES:

- Pacing: Fast (130-150 words/min). Cut all breaths & dead air. Pattern interrupt every 2 seconds.
- Captions: Clean, bold sans-serif. Word-by-word pop-in animation in 9:16 center-safe area.
- Audio: Subtle bass drop on 1-second hook, gentle whoosh on cuts, error buzz on pain points.

SCRIPT 01: THE "DUCT TAPE & EXCEL" TRAP

Duration: ~25s | Angle: Operations slipping & missing orders as business scales | CTA: Comment "AUDIT"

0:00 - 0:03 [HOOK] OVERLAY: HELD BY DUCT TAPE?	SCRIPT: "Is your entire business held together by duct tape and Excel?" VISUAL: Presenter slams real duct tape roll onto desk. Fast 1-second pattern interrupt.
0:03 - 0:08 [PAIN] OVERLAY: ORDERS SLIPPING	SCRIPT: "As you grow, things slip through the cracks. Orders get lost. Reports take days to build." VISUAL: Fast B-roll cuts: Stressed employee searching paper piles, red "MISSING ORDER" graphic.
0:08 - 0:15 [AGITATE] OVERLAY: 3 PEOPLE FOR 1 ANSWER?	SCRIPT: "You shouldn't have to ask three people just to get one simple number." VISUAL: Split screen: 5 people arguing over a spreadsheet vs. 1 clean custom dashboard.
0:15 - 0:25 [OFFER] OVERLAY: 1 CUSTOM SYSTEM	SCRIPT: "We build custom software that fits how you actually work—no jargon, no mess. Comment AUDIT below to see how we fix your daily headaches." VISUAL: Presenter steps in. Custom UI mockup floats on screen. Comment bubble animates.

SCRIPT 02: THE "DOUBLE WORK & PAYROLL BLEED"

Duration: ~28s | Angle: Paying full-time salaries for manual copy-pasting | CTA: Comment "AUDIT"

0:00 - 0:03 [HOOK] OVERLAY: STOP DOUBLE WORK	SCRIPT: "Are your employees fighting with slow, clunky software every single day?" VISUAL: Close-up typing furiously on keyboard, presenter stares in disbelief. SFX: Typing clicks.
0:03 - 0:09 [PAIN] OVERLAY: SAME DATA. TWO PLACES.	SCRIPT: "Most tools only do half the job. So your team uses a giant spreadsheet for the rest. That means double the work." VISUAL: Graphic of data copied from App A into giant spreadsheet. Burning dollar icon.
0:09 - 0:17 [CONTRAST] OVERLAY: DONE IN 2 SECONDS	SCRIPT: "You're paying thousands in payroll just to copy-paste data. What takes your team four hours can run in four seconds." VISUAL: Employee sighing, cuts to automated 1-click sync running in 1 second.
0:17 - 0:28 [OFFER] OVERLAY: CUT THE HEADACHES	SCRIPT: "Stop paying your team to be human robots. Comment AUDIT below, and let's find where your workflow is leaking cash." VISUAL: Presenter points down with confident smile. Lower-third CTA banner animates.

SCRIPT 03: THE "50-BUTTON OFF-THE-SHELF NIGHTMARE"

Duration: ~27s | Angle: Famous SaaS tools with 100 unused buttons | CTA: Comment "AUDIT"

0:00 - 0:03 [HOOK] OVERLAY: TOO MANY BUTTONS?	SCRIPT: "You bought a famous software tool to get organized... and your team absolutely hates it." VISUAL: Screen recording of complex enterprise menu with 100 buttons. SFX: Error buzzer.
0:03 - 0:08 [PAIN] OVERLAY: BACK TO PAPER & EMAIL	SCRIPT: "It has fifty buttons you don't need. So your staff gave up and went back to paper, whiteboards, and messy emails." VISUAL: Fast cuts: Whiteboard with messy notes, sticky notes falling off monitor.
0:08 - 0:16 [SOLUTION] OVERLAY: BUILT FOR YOU	SCRIPT: "Off-the-shelf software forces you to change how you work. We build simple software that does exactly what you need—nothing more, nothing less." VISUAL: Show sleek, stripped-down custom interface with only 3 clear, big buttons.
0:16 - 0:27 [OFFER] OVERLAY: DITCH THE MESS	SCRIPT: "Get rid of the messy paperwork for good. Comment AUDIT below, and we'll show you how simple your systems can be." VISUAL: Presenter on camera with dynamic zoom. Big CTA badge pops up.

SCRIPT 04: THE "\$10,000 SERVICE VS. GOOGLE SHEET"

Duration: ~30s | Angle: Client embarrassment from messy onboarding | CTA: Comment "AUDIT"

0:00 - 0:04 [HOOK] OVERLAY: \$10,000 SERVICE... SHEET?	SCRIPT: "You charge ten thousand dollars for your service... but your client onboarding is a messy Google Sheet." VISUAL: Split screen: Luxury high-end office on top vs broken #REF! Sheet on bottom.
0:04 - 0:11 [PAIN] OVERLAY: AMATEUR HOUR	SCRIPT: "You send clients four different links, two forms, and a messy email thread. It makes a million-dollar company look like amateur hour." VISUAL: B-Roll: Confused customer staring at 4 separate links, DocuSign email, broken form.
0:11 - 0:19 [SOLUTION] OVERLAY: 1 BRANDED PORTAL	SCRIPT: "Imagine giving your clients ONE branded portal where they sign, pay, and track everything in real time." VISUAL: Smooth 3D mockup of custom branded, white-label client portal (logo, 1-click invoice).
0:19 - 0:30 [OFFER] OVERLAY: UPGRADE YOUR TECH	SCRIPT: "Upgrade your client experience to match your price tag. Drop a comment with AUDIT, and we'll map out your custom client portal in 15 minutes." VISUAL: Presenter points to screen. Interactive comment icon pulses.
