

FOUNDER VIDEO SCRIPTS

Part 2: The Hormozi Master Script & Script 5 (Operational Autopilot)

TARGET AUDIENCE & PSYCHOLOGICAL TRIGGERS:

- Persona: Traditional non-tech US business owners (\$3M-\$20M revenue, 15-80 staff) in logistics, labs, B2B wholesale, leasing.
- Hostage Risk: Fear that if the master spreadsheet manager quits, the business grinds to a halt.
- Anti-Tech Positioning: Zero tech jargon. They want profit protection and simple tools, not Silicon Valley hype.

MASTER SCRIPT: "THE \$200,000 SPREADSHEET" (HORMOZI DEEP-HOOK)

Duration: 45-55s | Style: High-status, raw business logic, zero buzzwords | CTA: Comment "SYSTEM"

0:00 - 0:05 [HOOK] OVERLAY: NOT A TECH PROBLEM	SCRIPT: "If your business is doing five million a year... but you need three people just to move data between your emails and a spreadsheet... you don't have a software problem." VISUAL: Speaker looks dead into camera. No smiling. Raw intensity. Punch-in zoom. SFX: Low bass drop.
--	---

0:05 - 0:11 [DIAGNOSIS] OVERLAY: \$200K PROFIT LEAK	SCRIPT: "You have a two-hundred-thousand-dollar payroll leak. And it's quietly eating your profit margins." VISUAL: Cut to 45-degree angle. Graphic of \$200k cash burning icon appears.
---	---

0:11 - 0:20 [AGITATE] OVERLAY: OFF-THE-SHELF SUCKS	SCRIPT: "Here's what happened: You bought big off-the-shelf software. It was confusing. It didn't fit how you actually run your business. So your team gave up... and went right back to Excel, whiteboards, and manual paperwork." VISUAL: Presenter counts on fingers. Cutaway to bloated enterprise tool with 100 confusing buttons.
--	--

0:20 - 0:29 [PAIN POINT] OVERLAY: HELD HOSTAGE	SCRIPT: "Now you're one sick day away from your entire operations falling apart because only one person knows how that master spreadsheet works." VISUAL: Ultra-tight punch on eyes. Serious tone. SFX: Warning sound.
--	---

0:29 - 0:38 [SOLUTION] OVERLAY: BUILT FOR REAL BIZ	SCRIPT: "We don't build software for Silicon Valley startups. We build simple, custom systems for real, traditional American businesses. Software that fits your exact workflow—not the other way around." VISUAL: Tone shifts: Calm, authoritative. Graphic: 1 Custom System = 100% Automated.
--	--

0:38 - 0:46 [CONTRAST] OVERLAY: ZERO JARGON	SCRIPT: "No tech jargon. No fifty confusing buttons. Just one clean dashboard that does in four seconds what currently takes your team four hours." VISUAL: Wide shot. Presenter leaning in with open hands.
---	---

0:46 - 0:55 [OFFER / CTA] OVERLAY: COMMENT "SYSTEM"	SCRIPT: "If you want to cut the double-work and protect your margins: Comment the word SYSTEM below. I'll personally map out your workflow and show you where you're bleeding cash. Zero sales pitch. Just math." VISUAL: Lower-third banner animates: Comment "SYSTEM" below. SFX: Pop sound.
---	---

SCRIPT 05: THE "SPREADSHEET BABYSITTER"

Duration: ~26s | Angle: Founder operational burnout & key-person risk | CTA: Comment "AUDIT"

0:00 - 0:03 [HOOK] OVERLAY: SPREADSHEET BABYSITTER	SCRIPT: "You didn't start a business to become a full-time spreadsheet babysitter." VISUAL: Presenter slams laptop shut at dinner table or holiday spot. SFX: Thud.
0:03 - 0:09 [PAIN] OVERLAY: TRAPPED IN OPS	SCRIPT: "If taking a three-day weekend means your operations fall apart, you don't own a company—you own a trap." VISUAL: Notification pop-up: "Hey boss, dispatch sheet broke again..." Error sound.
0:09 - 0:17 [SOLUTION] OVERLAY: RUNS ON AUTOPILOT	SCRIPT: "Real businesses run on automated custom systems that dispatch jobs, track orders, and handle billing without you touching it." VISUAL: Modern custom operations engine running smoothly on tablet showing green checkmarks.
0:17 - 0:26 [OFFER] OVERLAY: GET YOUR TIME BACK	SCRIPT: "Get your freedom back. Comment AUDIT below for a free 15-minute operational breakdown of your business." VISUAL: Smooth zoom-in on presenter. Clean lower-third with action arrows.

LEAD CONVERSION & AUTOMATION WORKFLOW:

- Video Hook Delivery: High-status presentation targeting non-tech US SMB owners.
- Comment Trigger: User comments keyword "SYSTEM" or "AUDIT" under the short-form video.
- ManyChat DM Automation: Instant automated direct message sent with a low-friction message:
"Hey [Name], saw you commented SYSTEM. Here is the 15-min Ops & Tech Roadmap link to audit your workflow."
- 15-Minute Frictionless Audit Call: Review their manual spreadsheet steps, identify double-work payroll leaks, and present a fixed-scope custom software roadmap in plain English (No tech jargon. Just math).
